

**STORMWATER ADVISORY BOARD
REGULAR MEETING
WEDNESDAY, MAY 18, 2022**

Members Present: David Joseph Señeres, Stormwater Program Manager; Lisa Chadwell, Stormwater Advisory Board, Vicki Fletcher, Stormwater Advisory Board Member; Donna Osborne, Stormwater Advisory Board Member; Bradley Acquinin, Stormwater Advisory Board Member

Others Present: None

Item 1. Call to Order.

called the meeting to order.

Item 2. Acceptance of the Minutes from February 16, 2022.

made a motion to approve the minutes; seconded the motion; motion was approved unanimously.

Item 3. Notices, Petitions, People to be Heard.

None.

Item 4. Progress on ACE Integrated Stormwater Management Program

asked David Joseph Señeres to provide an update.

- 1) *Mr. Señeres provided updates concerning the City of Archdale Online Portal for the National Pollutant Discharge Elimination System NC000434 and summary of preliminary data between February 16, 2022 and May 18, 2022 noting the number of requests over the period as being approximately 175 with a closure rate of 94.3 48.0 hours {Note final data for the period updated on the website is 833 requests with a closure of 70.3 hours} In addition, the mapping of activity of all minimum measures depicted no hot spots and was evenly distributed across the jurisdiction;*
- 2) *Mr. Señeres noted that a recent challenge had been made by a developer indicating that they had not intention of providing any annual maintenance and inspection as required by Chapter 15 of the City Code of Ordinances requiring re-establishment of pre-development hydrology consistent with Environmental Protection Agency Section 438 and the duties and responsibilities of sub paragraph (b) regarding interpretation of said guidance., i.e, a general duty clause*

Item 5. Additional Items

The Board discussed removing the note “In-person meetings may be scheduled only if there are persons to be heard are scheduled and/or total number of participants in compliance with COVID-19 Guidance Recommendations. All other meetings shall be computer based” from future minutes as well as an additional statement at adjournment of future meetings declaring that an assessment of the activities in the city have been discussed and that as a recommending body no changes to the ACE Integrated Stormwater Management Program meeting the requirements of the National Pollutant Discharge Elimination is warranted.

Item 6. Adjournment.

made a motion to adjourn. seconded the motion; motion was approved unanimously.

adjourned the Wednesday, May 18, 2022 Regular Stormwater Advisory Board meeting.
