

CITY OF ARCHDALE

CITY COUNCIL

MEETING DATE: February 24, 2026

SUBJECT: Randolph County Board of Education Security Agreement.

COMMENTS: City Council is requested to consider approval of an interlocal agreement between the City of Archdale and Randolph County Schools regarding the provision of off-duty Archdale Police Officers for school security services.

The proposed agreement establishes a formal framework for the assignment of off-duty officers to school campuses. While off-duty officers have historically been made available to schools through established departmental procedures, this agreement provides a contractual structure for those services moving forward.

RECOMMENDATION: Approve the interlocal agreement as presented.
