

IN THE LOOP

CITY OF ARCHDALE 307 BALFOUR DR, ARCHDALE NC 27263

WWW.ARCHDALE-NC.GOV

Wishing you and your family a happy New Year from the City Council & the City of Archdale employees.

Protect Your Home this Winter

The City of Archdale is responsible for maintaining main water lines and services lines to the meter. Water lines and pipes beyond the meter are the responsibility of the customer.

Preventing Frozen Pipes:

- Drain swimming pool supply lines, as well as lawn and landscape sprinkler system at the end of summer. (Do not put automotive antifreeze in drained water lines.)
- Remove, drain, and store outdoor hoses. If the outside faucets have shut-off valves, close them, and drain outside faucets. If no shut-off is available or if frost-free faucets have not been installed, cover the faucets with insulation of Styrofoam covers.
- Survey property for water supply lines that may be unprotected, such as unheated basements, attic areas, crawlspaces, garages, under cabinets, on exterior walls, at the water meter, or at the point where main supply lines cross the foundation into the hose. Insulate both hot and cold water lines in these areas (Hot water lines freeze as readily as cold water lines if water is not flowing through them.)
- Protect exposed pipes by wrapping them with foam pipe sleeves (taping at all junctions), covering with fiberglass insulation, or installing UL-listed heat tape or heat cable. Even several layers of newspaper will do in a pinch when temperatures are expected to remain cold for shorter periods.
- Meter lids should remain on the water meter box at all times.

Schedule & Updates!

Holiday Closings

City Hall will be closed:

- **January 1st** in observance of New Years Day
- **January 15th** in observance of Martin Luther King, Jr. Day
- **March 29th** in observance of Good Friday

Please make a note of these closures.

Trash & Recycling

- **New Year's:** There are NO CHANGES to the pick up schedule for this Holiday.

Loose Leaf Collection

- Seasonal Service ends the last full week of March 2024.

Please refer to the website for more details.

Join the Archdale Police Department for some coffee and conversation each month. Please refer to the website for times and locations.

We hope to see you there!

Follow the City on Social Media & Spectrum Channel 8 for updates & news:

Loose Leaf Collection

Loose leaf collection is underway. Pickups end the last full week of March. Make sure loose leaves are placed near but not in the roadway and away from storm drains.

City of Archdale Loose Leaf Collection

A friendly reminder:

That there is no such thing as a FLUSH-ABLE wipe. Disinfectants, baby wipes, and other "so-called" FLUSH-ABLE wipes need to be thrown away; not flushed. These wipes do not break down and ultimately cause nasty sewer backups in homes when flushed.

Report a Problem on SeeClickFix

You can report non-emergency stormwater or planning/code enforcement problem to the City of Archdale from your smartphone, tablet, or computer; thanks to the City's implementation of "SeeClickFix". Check it out on the City's website by clicking the "Report a Problem" icon. This new feature allows you to remain anonymous and get updates as the staff investigates the issue.

Events

February 1st *Baseball & Volleyball*
