Schedule & Updates!

Holiday Closings

City Hall will be closed:

- **April 18th** for Good Friday (Easter)
- **May 26th** for Memorial Day

No Changes to the Trash & Recycling pickups for the above dates.

Please make a note of these closures.

Loose Leaf Reminder

Leaves needs to be placed in paper bags not plastic and placed by the road and away from storm drains.

Fire Hydrant Testing

The Guil-Rand Fire Department (GRFD) is required to test hydrants every year for proper operation. During these flow tests, the City of Archdale and the GRFD occasionally receive inquiries regarding discolored water. This results from water rushing through the main towards the hydrant during the test. GRFD gives notice via their Facebook page when they are testing hydrants. GRFD has advised that they will be flushing hydrants during the month of April. If you notice that your water is discolored, run your outside spigot or your bathtub for approximately 3-5 minutes to clear out the line. Do not dry washed clothes if they appear to have rust stains on them. It's better to re-wash laundry if this occurs. If you have further questions or concerns, please call Customer Service at (336) 434-7341.

Dates: Saturday, April 26th - Saturday, May 10th

Hours of Operation are 8:00am until 5:00pm, Monday thru Saturday

Dumpsters will be available at the Public Works Yard on Old School Road for your household items such as furniture, kitchen & bathroom fixtures, wood, metal, lawnmowers, grills, etc. (All items must have fluids drained)

Free mulch is available while it lasts. Mulch will be loaded from an entrance on School Road. Mulch can be loaded 8:00 am until 5:00 pm during Spring Clean Up. Afterwards, mulch will be loaded by appointment only. Call (336) 434-7341 to schedule an appointment.

Items to be picked up curb-side: large appliances and water heaters only (all other items must be taken to the Public Works Yard on Old School Road) *Customers need to place items at the curb. The City will pick up within two (2) weeks. (no pickups after May 10th)

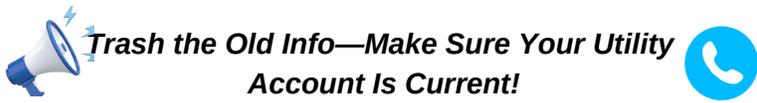

We will have a separate container for the recycling of electronic items such as computers, printers, TV's, VCR and DVD players, etc.

Keeping your utility account information current is essential to ensuring uninterrupted service and efficient communication with the City of Archdale. As part of our ongoing efforts to improve customer service and account management, we encourage all customers to take a moment to verify and update their contact details.

Why Is This Important?

- Accurate contact information allows us to notify you about service updates, billing issues, and important policy changes.
- In cases where the primary account holder is no longer responsible for the service, having updated records ensures a smooth transition and prevents unexpected disruptions.
- Proper account management helps avoid billing complications that may arise when outdated information is on file.

How Can You Update Your Information?

- By Phone: Call our utility customer service team at 336-434-7341 to verify and update your account.
- In Person: Stop by City Hall to speak with a representative and make any necessary updates.

Taking a few minutes to review your account information today can prevent future complications and help us serve you better. If you have any questions or need assistance, please contact our Utility Billing department. Thank you for being a valued part of the Archdale community!

Water System Asset Inventory & Assessment Project

Stewart Engineering will be assisting the City of Archdale with its Water System Asset Inventory and Assessment Project. Stewart will be surveying valve locations around Archdale as part of the project; representatives will wear yellow vests and drive marked vehicles. Staff members will primarily work in or adjacent to roadways around the city. This piece of the assessment project should last about 4 months. If you have any questions call Customer Service #336-434-7341.
