It is about that time of year where you want to take a dip to cool off! Did you know you can call Customer Service to get a bill adjustment when filling your pool with water?

- Fill your pool
- Record the dates
- Call Customer Service when finished with your fill dates

This adjustment will be made to the sewer portion of your bill. You will still be charged for the water usage. This adjustment is made only 1 time per year. Take advantage of this savings opportunity this summer!
